

About

Chamber Circle (chambercircle.sg) is the premiere classical chamber music group in Singapore. We are a registered non-profit society that organizes music productions, recitals, and soirées with professional and serious non-professional musicians.

Activities

1. Chamber Productions

We produce curated programs with our members to perform at functions or private events, and customize a high-quality production to suit your requirements.

- ❖ We specialize in creating intimate settings by engaging with your audience and introducing fascinating insights about the program and its story.
- ❖ Tailored and themed based on your needs and budget, our productions range from duos of voice/piano, to larger ensembles including quintets and different combinations of singers/instrumentalists (see right column for sample programs).

2. Public Recitals

We bring quality chamber music performances to unusual spaces with new audiences. Recitals feature a range of works representative of our diverse repertoire.

3. Private Soirées (member-only)

Our musician members play for each other in an informal environment, to enjoy and explore both familiar and new, contemporary music. We organize them at quarterly intervals.
